Trygg Paving did the grading. Joliet Blacktop Co., operated by Robert Walsh, is building the courts. On top of the layer of screenings being laid in this picture will go larger rock - two and half and three inches - and then more screenings. This is wetted and compacted and then the road mix is laid. After the final layer of asphalt is applied the courts are sealed, the playing surface with a green colored plastic. It will be several weeks before the courts are completed, it was reported.

No Word Yet On Junior College Tuition Bills

Administrators of high school districts in what could be called the Joliet Junior College domain are still waiting for a ruling from Springfield relative to tuition charges.

About three weeks ago the legal advisor for State Supt. Page expressed the opinion that payment of tuition to Joliet Junior College by a high school district would be illegal. A law firm in Chicago that is a recognized authority on school mat-

ters had previously given Lincoln - Way High School Board an opinion that since the Joliet Junior College was a part of a high school district the new law covering junior college districts concerning the payment of junior college tuition by high school districts did not apply.

The ruling by Page's advisor went further, contending that it would be illegal if a high school district paid tuition for students attend-

ing Joliet Junior College.

Less than 24 hours after giving such an opinion the state school lawyer called Lincoln-Way to say that the state Junior College Board refused to accept his position and was asking the attorney general for a ruling. At the time it was said that the attorney general's opinion was expected "in a couple of days."

As of Tuesday afternoon of this week this opinion was still coming. County Supt. Bucher had not received any word of it from Springfield.

Meanwhile students from the Lincoln-Way district who had applied for tuition payments by the district prior to July 1, and whose parents had agreed to be partially responsible for the tuition, were being accepted at Joliet without making payment. Only those who had failed to apply for tuition payments prior to July 1 are required to pay their tuition bills now.

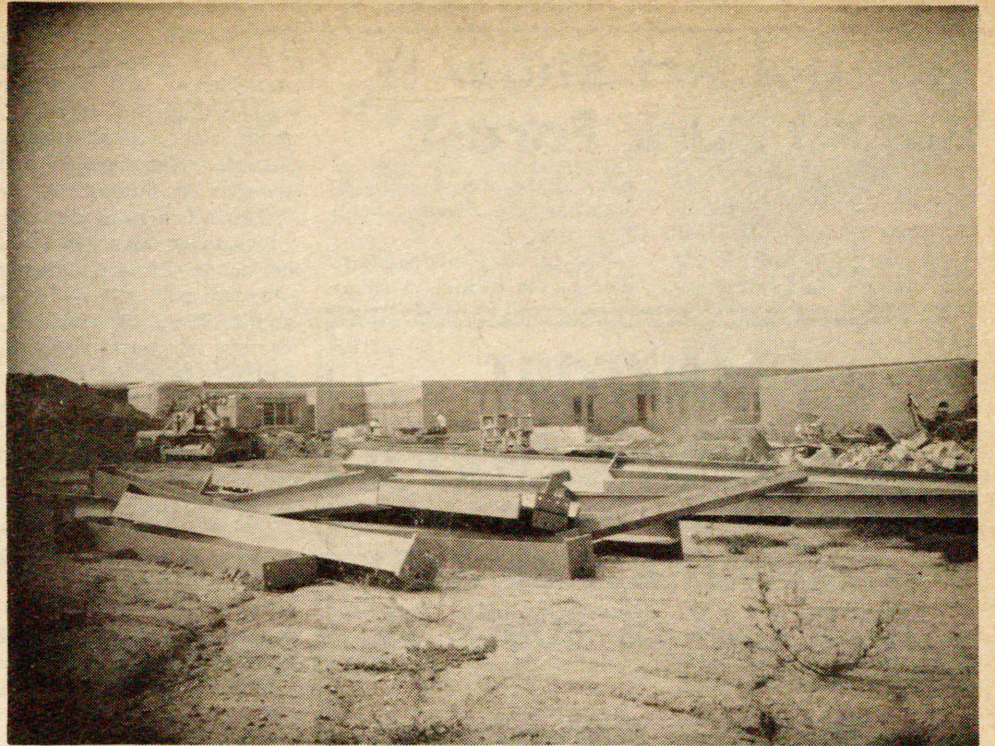

Orders Title Search On Gift To Community

The Mokena Village Board has ordered a title search covering the property given to the community by the original developer of what later became the Village of Mokena. The property has been used as a park or playground and the site of two churches, the Methodist and the Immanuel Lutheran.

The Methodist church is still in use. The Lutherans have moved into their new church and the former church building stands empty and in that state is regarded as hazardous.

The Lutherans had planned to take bids tonight on the building itself but it is understood they will not act until after the title search is completed, which is expected to define the village's position.

It has been suggested that the building be used as a library and village hall and it is expected they will be among the bidders. Use of the property is said to be extremely limited.

WORK GOES ON at the site of the new classroom addition to Lincoln-Way High School. The addition is at the rear of the present plant. In the foreground is some of the steel while in the background workmen are working on the foundations and the water and sewer service mains.

OK Of School Issues To Permit Additional Levy

Mokena school district residents approved both issues being considered last Saturday. The 21 cent increase in the educational tax rate was approved by a margin of 23 votes, 365 yes-342 no, with nine spoiled ballots.

A board spokesman states that a levy will be submitted to the county clerk of office using from 10 to 12 cents of the voted increase. The levy must be filed by Sept. 27. This should be sufficient to meet expected current expenditures for the present school year and assist in avoiding borrowing money at high interest rates which has been the practice the last few years, it was said. The board pledges to levy only the necessary rate sufficient to meet basic operating expenditures.

The \$95,000 bond issue

was approved to build the final 6 - room addition to Willowcrest School, 379 voted yes, and 328 voted no, with nine ballots spoiled. Last June this same proposition was beaten by only one vote. The board expects to have final plans with the architect finished this fall. Bids will be let just after the first of the year with completion date expected before September, 1967. The six rooms to be built will extend the newest wing further west. The rooms will be designed for upper grade students where overcrowded conditions are most prevalent, but the six rooms will relieve crowded conditions all the way down the grades, it was explained.

"The entire board of education expresses their appreciation for the confidence

that the public has shown them," the spokesman said. "They are pleased that the financial situation of the district and the classroom shortage will now be improved without lowering any educational standards. They hope to maintain a high standard and build thereon. Some significant changes are being considered and a complete announcement will be published shortly."

The enrollment continues to grow, with 609 pupils showing up for class the first week, 74 first graders, 74 in second grade, 83 in third grade, 84 in fourth grade, 70 fifth graders, 89 sixth graders, 71 in seventh grade, 55 in the eighth grade, and nine students in various special education programs.

District Library Board Organizes

The Board of Trustees of the Mokena Community Public Library District has been rapidly taking the necessary steps to establish a Public Library in Mokena since their appointment by Judge Michael Orenic in late August.

The board elected Mrs. Rudolph Englehardt as president, Mrs. Louis Richards as secretary and Walter Welsch as treasurer. In addition Joseph Bernardin was elected representative to the Burr Oaks Library System and Clarence Miller his alternate.

Other action by the board has included a meeting with Robert Pohl, librarian of the Joliet Public Library

who advised the board on action to be taken during the critical first years of operation. Also a meeting with Peter Bury, state consultant for Libraries to discuss policies.

Walter Welsch was appointed to attend a state meeting of library trustees Nov. 18 - 20 at Allerton Park at Monticello, Ill. His study there is expected to greatly enrich the group.

In the meantime the Mokena Village Library continues to be staffed by volunteer workers supervised by the Mokena Book Club and is continuing its regular Wednesday hours of 3:30 to 5:00, 7:30 to 9:00 p.m.

Library Pushes Work On Interior Repairs

At the regular meeting of the New Lenox Township Library Board of Directors, Mrs. Irene C. Peterson, librarian, reported that the summer reading program conducted by the library was very successful, and increased the library circulation by more than 25% over last summer.

Various items of repair and maintenance were discussed but major items were deferred until the minor interior remodeling, authorized last spring, is completed.

Signs for the building were discussed again, but since no proposals are yet forthcoming from the sign painters, the matter was tabled until the next meeting.

The matter of new library furniture was also tabled until after the interior work is completed.

The matter of having the library keep longer hours was discussed at length, and

it was decided that hours will be increased starting at the beginning of the next fiscal year, April 1, 1967 when increased funds would be available to staff the library during the longer hours.

The Library is open 15 hours per week now. The board expressed the desire to increase this as much as during the next two years, but it was pointed out that accomplishing this would greatly depend upon money being available to support such an increase in the hours.

Members of the library board are: Ronald M. Whitaker, president; Phillip A. Stockley, vice - president; Shirley O. Lashmet, secretary; Jane K. Anderson, treasurer; Dr. A.D. Miller, and Beverly Welsch.

Mark Krueger who is developing into a hard driving fullback, scored a third and Pat Nelson made a long end run for the fourth counter.

In the PeeWee game, the Burro's tamed the Mustangs 27 - 0 also with two fine runs for touchdowns, one by Blake Tekotte, and one by Randy Boyd, who is so small it has been difficult to find a uniform to fit him. Boyd's run was 57 yards, Tekotte then teamed up with Billy Patterson to score a touchdown on a long pass that covered 28 yards. ON SOLICITORS

Dear Sir: Again this past week, one of the communities in the area, New Lenox, had their youngsters out on the highway, begging for money to support one of their local activities. I am in favor of all the activities for young people of the community that we can promote.

However, I do feel it is wrong to station these children on the highway to beg for donations from all passers by. Many people are required to pass that way to their work, but they also have similar activities and programs in their town to support.

These youngsters would better spend their time going door to door in their own town or to the local business man to support the activity. It becomes embarrassing to be known by the solicitors and not to contribute, yet I feel my dollars should go to support my local teams. Perhaps the sponsors haven't thought of this, as New Lenox supports their teams very well, both with money and attendance.

Marley

Local Family Hosts To Swedish Visitors

MRS. VIRGINIA SASS
Telephone: 485-6424

Mr. and Mrs. William Schwab and family of Marley, were recent hosts to Mr. and Mrs. Lars Lindholm of Stockholm, Sweden. Mr. Lindholm, in school work since 1930 and principal of a Stockholm school since 1959, is most interested in a Swedish association which encourages out door experiences for children. Too, he has been working for opportunities for children to attend summer camps. From 1936 to 1946 Lindholm managed summer trips in which children traveled to other parts of Sweden to get to know their country better. Such trips, he said, have been expanded to include other parts of Scandinavia and England and Germany. Mrs. Lindholm is also a teacher in the Stockholm school system. During their three week stay here, Mr. and Mrs. Lindholm visited several colleges with the Schwabs, seeking information on the American outdoor educational policies.

The Stockholm educator found that Northern Illinois University has outdoor educational courses which mainly pertain to science and biology. He praised the Northern Illinois University officials for what he thought was the right approach in training teachers first in outdoor education.

The Lindholms were amazed at the size of our

universities. They found our shopping centers most interesting as they have none in Sweden, and they marvelled at our highway systems. Traffic conditions are quite different in Sweden where there are no speed limits and vehicles travel on the left side of the road.

Mr. and Mrs. Schwab were host parents to the Lindholm's son Lars Erik, when he was a foreign exchange student to Lincoln-Way High, three years ago. A Lincoln-Way student stayed with the Lindholms in the summer of 1963. The trip was sponsored by the New Lenox Lion's Club under the Lions' International program. Next month, three students from Lindholm's school will come to the U.S. for a year.

The Schwabs among their five children have two prospective exchange students: Susan, a senior, and William, Jr., a freshman at Lincoln-Way. Another daughter Janet, who graduated August 12 from Illinois State University, was an exchange student to Brazil in 1961.

Meanwhile, the senior Schwabs are looking forward with hopes of visiting the Lindholms in Sweden sometime. Mr. Schwab is a biology teacher at Joliet Township High School and Junior College. He is a former consultant with the state and a former television teacher. During July and August, he

participated with 24 other junior college teachers in an eight-week National Science Foundation biology institute.

The annual Bazaar and supper, sponsored by the Marley Missionary Society, will be held at the Marley Community Church on Oct. 6. An advance ticket sale is underway for the fried chicken supper to be served at five, 6 and 7 o'clock. Tickets may be obtained by calling Mrs. Loren Sass at 485-6424 or Mrs. Francis Peterson at 485-6559.

Mr. and Mrs. Roy Berndt have returned home from a ten-day vacation spent at Split Rock Lodge, Nestor Falls, Ontario, Canada.

Mr. and Mrs. Henry Volz have returned home after spending two weeks with relatives and friends at Billings, Montana.

The Marley Woman's Club opened the new season with a meeting Sept. 8 at the home of Mrs. John Peceniak. Dessert-coffee was served at 1:30 by the hostess, assisted by Mrs. Sue Johnston. The serving table was attractive with a blue and white floral arrangement. Mrs. Roy Berndt, president, introduced her new chairman for the year: Mrs. William Ducleck, garden; Mrs. William Schwab, legislative; Mrs. Charles Greetis, flower; Mrs. Clyde Flake, chum and Mrs. Melvin Berndt, delegate to the Will County Club League. Mrs. Berndt announced that plans are being made for the Fall Biannual of the League, to be held on Oct. 25. On Oct. 11, the Marley club will go to Joliet to spend the day stuffing en-

velopes with Christmas seals for the TB Association. The program was a demonstration on "Yeast Breads" by Mrs. John Hasibar. Mrs. Hasibar showed how to shape various coffee cakes and rolls. The hostesses for October will be Mrs. Ducleck and Mrs. Victor Zaloudek.

The Twelve Trumps met Sept. 6 at the home of Mrs. Royal Corp. Prizes were awarded to Mrs. Loren Sass, Mrs. Clarence Troutman, and Mrs. Charles Greetis. The award for double pinocle went to Mrs. Herman Benck. Mrs. Sass will be hostess to the group on Oct. 4.

Mr. and Mrs. Charles Ingram and family and Mrs. Charles Elliott attended an open house at the home of Mrs. Dorothy Archibald in

Chicago on Sept. 10.

Mrs. Herb Crabb entertained her pinocle club from Hinsdale in her home on Sept. 9.

Young people returning to colleges the past week were: Miss Joan Stellwagen, senior

student at Illinois State at Normal; Miss Connie Corp, junior at Eastern Illinois University at Charleston; Miss Judy Termuende, senior at Southern Illinois University at Carbondale; and Miss Judy Osborn, a graduate student at the University of Illinois at Urbana.

Arbury Hills

Teen Club Open To New Members

MRS. EDWARD HOVI
Telephone: 479-5740

The Arbury Hills Teens Club will have their re-organization Monday evening, Sept. 19, at the school starting at 7:30 p.m. until 10:00 p.m. The adult supervisors this year will be Mrs. Homer, Mrs. Jensen, and Mr. Reeves.

In order to be eligible to join the group you must reside within the Summit Hill school District 161, be between the ages of thirteen and eighteen, and be presently attending school. School dropouts are not eligible for

membership. The dues for the organization are \$1.00 per six months period.

The meetings are held at the school from 7:30 p.m. until 10:00 p.m. on the first and third Monday of the month.

This meeting will be an organizational meeting and one at which new enrollments will be accepted.

The Summit Hill Parent-Teacher Group held its first meeting of the fall season last week at the school. At this meeting the new superintendent, Mr. Avila, was introduced by the President, and he, in turn, introduced

his faculty to the group. The faculty, this year, will also include a music teacher for the fifth through eighth grades.

Mr. Avila gave a short talk on the upcoming special vote concerning a 21¢ educational tax increase to be held shortly. Mr. Avila announced that there would be an open meeting held at the school following the school board meeting on Sept. 20 for those who would appreciate further information on the issue.

The regular monthly award

given for the greatest percentage of parents attending the Parent-Teacher meeting, was given to Mr. Reeves class of eighth graders.

Start looking ahead to next month, Oct. 15 to be exact, for the annual Fun Fair sponsored by the Parent-Teacher Group. The ladies and gentlemen are now starting to work on the many projects involved in putting on such an ambitious affair. It will again be held throughout the entire afternoon at the school. This should be its usual good time for all.

Next month there will be a choral group from Lincoln-Way High School to entertain those attending the Oct. meeting on Oct. 13.

Well over one hundred people attended this first meeting. Wouldn't it be nice to see future meetings as well attended?

The Summit Hill Boy Scout Troop #10 have begun their meetings. They are to be held at the school on Wednesday evenings starting at 7:00 p.m. Any boy residing within the school district, who is between the ages of eleven to fourteen are eligible to join the scouting program.

There was an organizational meeting of the Cub Scouts at the school on Wednesday, Sept. 14. At that time enrollments of new boys was taken care of, and additional enrollments will be taken at the first Pack Meeting to be held at the school on Friday evening, Sept. 30, beginning at 7:30 p.m.

As usual there is a dire need for adults willing to give of themselves to the scouting program. Anyone willing to give assistance is asked to contact Mr. Fran Crones at 479-5038.

The First Nighters held their Sept. meeting at the home of Mrs. Faye Erkmann on Thursday, Sept. 1. The winner of the hostesses prize was Mrs. Mary Farnham, and the next meeting will be held at the home of Mrs. Sylvia Way on Oct. 6, at 8:00 p.m.

Open Letter from the Hirschs

Dear friends,

It is wise to plan ahead in the selection of a cemetery plot or mausoleum before the need arises. In fact, many persons now pre-arrange the funeral service, just as they arrange a will and life insurance.

We are available for consultation in those areas where our experience may be helpful to you.

Respectfully,
